**Late Fees:** All weekend rentals are expected to be returned on the following Monday between 8am – 11am. A late fee of 50% of your order total will be charged to the card on file for any items not returned by 11am on Monday. The manager will walk you through basic troubleshooting and, if necessary, bring you a replacement. If the after-hours manager determines that the issue was a user error and not an equipment malfunction, a minimum \$125 charge will be added to your rental contract. If you do not contact the after-hours manager when the issue is discovered, no refunds/credits will be given.
